

# FRENCH-BRAZILIAN WORKSHOP ON SOUTH ATLANTIC PALEOCEANOGRAPHY AND PALEOCLIMATOLOGY

**APRIL 2, 2025**

**09 - 12:40H**

**MAISON DU CNRS, USP**

**SÃO PAULO, BRAZIL**

**09:00 - 09:05H**

*Liviu-Petru Nicu (CNRS, France)*

Welcome speech

**09:05 - 09:40H**

*Cristiano M. Chiessi (USP, Brazil)*

Keynote talk: Paleooceanography and paleoclimatology of the South Atlantic - Recent achievements and future directions

**09:40 - 09:55H**

*Ioanna Bouloubassi (LOCEAN, France)*

The International Research Project SARAVA

**09:55 - 10:10H**

*Natalia Vazquez Riveiros (GEO-OCEAN, France) and Karen Costa (USP, Brazil)*

The CAPES-COFECUB project "Role of South Atlantic ocean circulation on South American climate: past, present and future"

**10:10 - 10:25H**

*Aline Govin (LSCE, France) and Cristiano M. Chiessi (USP, Brazil)*

The AMARYLLIS-AMAGAS II oceanographic cruise

**10:25 - 10:55H**

Coffee break

**10:55 - 11:20H**

*Paulo Alberto Nussenzeig (USP, Brazil)*

Research and innovation initiatives at USP and French-Brazilian cooperation

**11:20 - 11: 35H**

*Fernando Menezes (FAPESP, Brazil)*

FAPESP: Funding opportunities focusing on the French-Brazilian cooperation

**11:35 - 11: 50H**

*Liviu-Petru Nicu (CNRS, France)*

The CNRS-USP International Research Center "Transitions"

**11:50 - 12:05H**

*Alexander Turra (USP, Brazil)*

The FAPESP Program for the South Atlantic and Antarctica "PROASA"

**12:05 - 12: 40H**

Discussion and future directions

## ORGANIZING COMMITTEE

A. Govin, C. M. Chiessi, I. Bouloubassi, L. S. Amancio, N. Vazquez Riveiros, T. P. dos Santos
